

# Musicians For Hire

*The highland bagpipes are one of the most ancient musical instruments still heard today. Unique for their stirring, majestic and haunting sound they have been a traditional accompaniment at weddings around the world for thousands of years. With the bagpipes played at your wedding you will be able to have the very best experience for your special day and a lasting memory.*

## *What is the Best Time to Have a Bagpiper Play?*

*It's your day! You can have a bagpiper anytime you wish. We have included some suggestions that work well. The number one most popular choice is to have the piper play before and after the ceremony.*
